CAHFSA

MISSION
To enhance regional development in agricultural health and food safety through the implementation of APS measures that meet the aspiration of all stakeholders and contribute to the establishment of harmonized, efficient, and internationally recognized systems.

PRIMARY OBJECTIVES
- To provide regional and national support to the Community in the establishment, management, and operation of APS systems and coordination of programs, as they relate to the APS measures of the EAC Treaty.
- To establish an umbrella framework for national and sub-regional efforts that facilitate more effective and efficient measures through regional mechanisms.

SPECIFIC OBJECTIVES
- To provide effective coordination and facilitation of APS systems and programs in the region.
- To develop and support initiatives aimed at enhancing regional coordination and implementation of APS systems.
- To facilitate the development and use of regional, as well as international, APS policies, standards, and guidelines.
- To strengthen the capacity of APS systems through capacity building and training initiatives.
